

Renowned Entrepreneur Ron Bauer Accelerates the Success of Aspiring Founders and Entrepreneurs

September 19, 2022 Business

The business industry is filled to the brim with lucrative opportunities. However, the ever-changing market conditions can become increasingly daunting for aspiring entrepreneurs hindering their progress and even causing some to fall. Fortunately, Ron Bauer is here to help companies navigate the rough seas of the business world, ultimately helping them succeed in a cutthroat environment.

Throughout his storied business career, Ron Bauer has cultivated a reputation of getting the job done with over 20 years of experience. He is a renowned venture capitalist, serial entrepreneur, business mentor, and author. It seems that everything Ron Bauer touches turns to gold, and he has managed to spread his influence in a wide variety of sectors such as Life Sciences, Technology, EdTech, and Natural Resources.

Ron Bauer has collaborated with some of the world's leading entrepreneurs, scientists, and world-class academic institutions. Ron has developed a track record of nurturing innovative concepts and supporting dynamic entrepreneurs and scientists. He has played a massive role in helping countless companies through his personal hands on guidance and mentorship.

The powerhouse entrepreneur has consulted successful founders from the early stages of angel and seed funding all the way to public mergers, IPOs, and even through trade sales with larger public and private companies, as well as SPAC transactions. Ron Bauer is no stranger to success in the world of business. He has been a major shareholder and principal investor in many private and public companies.

Ron Bauer was the co-founder of Turkana Energy, which merged with Africa Oil (TSX: AOI) in July 2009. The company went on to have a peak market value of over \$3 billion CAD, having raised in excess of \$1 billion of equity after Tullow Oil successfully drilled Turkana's oil concession. He is also a principal investor in many biotech, tech and natural resources companies.

Recently, Ron Bauer became a principal investor in companies such as 180 Life Sciences (NASDAQ: ATNF), Pasithea Therapeutics (NASDAQ: KTTA), Stran & Co (NASDAQ: STRN), Genflow Biosciences (LSE: GENF), Hemogenyx Pharmaceuticals (LSE: HEMO), and Cognetivity Neurosciences (CSE: CGN).

Throughout the years, he has consistently proved that he is a force to be reckoned with in the venture capital space. Ron Bauer has successfully raised capital across all sectors and all geographies. Much of his success can be attributed to his remarkable ability to adapt himself to changing economic climates and diversifying sectors.

Ron Bauer has developed a tried and tested formula that he uses within his portfolio of companies. He teaches this rigorous system to other aspiring company founders through his mentorship and coaching program. Through Ron's exemplary teachings, many companies have raised money and eventually gone public. "We have first-hand experience and knowledge as we have completed this journey a number of times ourselves as founders," explained Ron Bauer.

In the past two years alone, Ron Bauer has been involved in 5 IPOs on NASDAQ, the LSE and in Canada. These five companies alone have managed to raise over \$200 million between them, thanks to Ron Bauer's direct involvement. "We offer hands-on 1-on-1 mentorship and guidance to a select few founders as well as exclusive bootcamps for earlier stage startup founders looking to launch or scale up their businesses," said Ron Bauer.

Overall, Ron Bauer is helping aspiring founders attain the success that they truly deserve. Many founders have gained valuable insights just by collaborating with such a seasoned business veteran, and it's exciting to see how much more he can do with the global business industry.
